Design Criteria

The **NOTO Saturday Market** is an exciting new addition to and just steps away from the **NOTO Arts District** in historic North Topeka. Our vendors will consist of juried fine crafters, artisans, artists, fresh produce and plants, antiques, vintage items and heritage foods along with music and entertainment. **The market will start in April 2012 and continue through November 2012**, making for a festival atmosphere every Saturday for the warm season.

Even though the market is affiliated with the NOTO Arts District, the market logo should be a unique design of its own. The NOTO logo may be included in the Market logo, but is not required.

The winning logo will be used on web sites, various printed formats from business cards to posters, T-shirts and other merchandise and materials to be used for NOTO Saturday Market promotions and fund raising purposes.

The logo should be effective in both black/white and in color.

By submitting the winning design, you recognize the NOTO Saturday Market will own the design and all associated rights.

Use of any copyrighted logos, fonts or slogans that require a license to reproduce will disqualify your design. Original work only.

Selection

The NOTO Saturday Market Steering Committee will select the 3 most effective designs and vote for the final selection. The decision of the board is final.

The winning artist will be notified by email or telephone by March 15, 2012 or before. The winner needs to provide a hard copy of the design for display in the April 6, 2012 First Friday Art Walk announcement. The new name and logo will appear on the Saturday Market website. The winning artist will be credited for the new design on the website and the board will introduce the new logo in key media outlets.
